2. Regulations relating to service provision 2

Special terms and conditions of purchase for blanket orders related to design services and services by consultant engineers (construction), VW AG / general purchasing division (current as of 01 May 2018)

1. Validity of the contractual conditions / contractual elements

1.1

These terms and conditions shall supplement the general terms and conditions of purchase, VW AG / general purchasing division, the general terms and conditions of purchase for design services and services by consultant engineers and the general terms and conditions for blanket orders. They shall also apply to design services and consulting services in the case of construction sites.

1.2

The contractual elements shall appear in the following order of precedence, this as far as available and not otherwise agreed:

1.2.1

- the VW order description for individual requests

1.2.2

- the VW blanket order description

1.2.3

- the negotiation records in chronological order

1.2.4

- these special terms and conditions of purchase

1.2.5

- the general terms and conditions of purchase for blanket orders

1.2.6

- the general terms and conditions of purchase for design services and services by consultant engineers (construction), including the additional

contractual elements listed in fig. 1.2.4 onwards

2. Regulations relating to service provision

The contractual partner shall be obliged to execute all the required, appropriate services, duties and obligations necessary for the attainment of the design / consulting target defined in the individual request. Thus the services, duties and obligations to be provided by the contractual partner shall also comprise all activities not listed in the individual request which fall within the scope of the contractual partner's functions as specified in the individual request, and which are necessary to meet the design / consulting target stipulated therein.
