

**Volkswagen Group of America
Request for Proposal
APPENDIX C**

Organizational Structure

To complete this Appendix, respondents are required to provide an organization chart of their company from the board level to the level of field agents. Positions should include the names and titles of the incumbents (names and titles of field agents are not required at this time). In addition please disclose any former VWGoA employees that are employed or contracted by your company.

Suppliers affirm that no one employed within the last 5 years by Volkswagen Group of America, or any of its affiliated companies, participated in Supplier's review of this RFQ, in Supplier's decision to submit a bid proposal, or in the evaluation, preparation or presentation of such bid proposal to the Company.
